THE STAR SPANGLED BANNER

One of the most popular patriotic airs to be sung at Crab Orchard, June 23, will be "The Star Spangled Banner." Here it is, cut it out and take it with you that you may join in the singing.

O say, can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming;
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watch'd, were so gallantly streaming!
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there;
O say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

On the shore, dimly seen through the mists of the deep,
Where the foe's haughty host in dread silence reposes,
What is that which the breeze, o'er the towering steep,
As it fitfully blows, now conceals, now discloses?
Now it catches the gleam of the morning's first beam,
In full glory reflected now shines on the stream:
'Tis the star-spangled banner! O long may it wave
O'er the land of the free and the home of the brave!

And where is that band who so vauntingly swore
That the havoc of war and the battle's confusion
A home and a country should leave us no more?
Their blood has wash'd out their foul footsteps' pollution.
No refuge could save the hireling and slave
From the terror of flight, or the gloom of the grave:
And the star-spangled banner in triumph doth wave
O'er the land of the free and the home of the brave!

Oh! thus be it ever, when freemen shall stand
Between their loved homes and the war's desolation!
Blest with vict'ry and peace, may the heav'n rescued land
Praise the Power that hath made and preserved us a nation.
Then conquer we must, for our cause it is just,
And this be our motto: "In God is our trust."
And the star-spangled banner in triumph shall wave
O'er the land of the free and the home of the brave!

NOTICE

TO WHOM IT MAY CONCERN:

In view of present emergency confronting the country, it is of the greatest importance that all those who have dynamite or explosives of any kind for sale, make a record of such sales, as to amount sold, purpose and the person to whom sold, and date.

Attention is called to Section 1374, Kentucky Statutes, which reads as follows:

"Dynamite—Selling or giving without keeping register. That it shall be unlawful for any person to sell, loan or give any dynamite, or caps therefor, within this Commonwealth, without keeping a register of the amount sold, to whom sold, the date of sale, and for what purpose to be used. Any person violating any of the provisions of this section shall be fined in a sum not less than twenty-five dollars nor more than one hundred dollars for each offense."

It is requested that copies of these records be furnished the County Attorney of your county, and copy will be sent by him to this office.

By order of the Governor:
J. Tandy Ellis,
The Adjutant General.

All citizens are requested to report any violations, and all dealers in Lincoln county are asked to furnish me with a copy of the record on the first day of each month so that I may forward a copy to the Adjutant General.

Respectfully,
W. S. BURCH, Co. Attorney,
Lincoln County.

LIFE INSURANCE

The Mutual Benefit has survived every great panic in America. It went through the American Civil War with credit to itself, and now offers to the American public, at this time of stress, demonstrably secure life insurance protection under a liberal contract, at minimum costs. It is an American Company operating on the mutual principle for the American people.

Limit of \$5,000 to those who have enlisted or who expect to enlist, and no extra premium the first policy year unless the insured goes outside of the United States in war service or enters naval service.

HAIL INSURANCE

Don't forget that I will be around to see you about your hail insurance on tobacco and hemp. I have paid more to the farmers of Lincoln county for hail losses than all the other agents combined.

If you have a house or barn uninsured now would be a mighty good time to insure it. You can't insure them after they burn.
